

# WATERLESS URINAL

CERAMIC WITH RENEWABLE FALCON CARTRIDGE

ARICA  
WITH FALCON

# Gentworks

- 
- Reduce expenditure on water and sewerage costs
  - Saves water, thus reducing energy and emissions
  - Runs on the popular Falcon waterless cartridge system
  - Stylish design Ideal for high end look washrooms
  - No water supply piping or power to install
  - Cartridge usually lasts around 3-4 months
  - Anti-splash design
  - Horizontal outlet for concealed waste pipes

The Arica is a stylish waterless urinal Ideal for busy commercial environments such as offices, restaurants, hotels, clubs, schools, and sports stadiums. This urinal uses the popular Falcon Waterfree Technologies waterless cartridge, a system cleaners and facilities management companies may already be familiar with. Maintenance is straightforward using spray on waterless urinal safe cleaners and a simple cartridge change every 3-4 months or 4000-7000 uses.

The urinal is manufactured by a leading ceramics company and carries a 10 year guarantee on the quality of the ceramic.
