CONCEALED TRAP CERAMIC URINAL
With a Choice of Flush Options

MODEL
ArcSquare

- Horizontal Rear outlet/inlet; NOT for exposed install.
- Cistern and sparge-pipe options: 1, 2, 3 or direct flush.
- Manufacturer 25-year ceramic guarantee.
- Stainless-steel sparge pipes with chrome-brass back spreaders.
- Compact hideaway automatic flushing cistern, WARS approved.

A modern, square-shaped urinal bowl designed for fully concealed installations. Ideal for most commercial washrooms, including schools, offices, leisure facilities and hospitality venues. With waste trap and flushing pipes hidden, it delivers a sleek, stylish look while also making cleaning quicker and easier.

This urinal can be supplied with appropriate concealed cisterns, spreaders, and sparge pipes for one, two, or three-bowl installations. It is also available as a bowl-only option for connection to existing cisterns or for use with a direct-flush system.
