

# The **GW6** Retrofit Kit for Urimat Urinals

For Urimat urinal bowls, the GW6 retrofit is a long-lasting alternative, tolerant of standard cleaning practices.

## Key Benefits

- tolerant of commonly used chemicals, including milder acid-based cleaning products, as well as water.
- replaceable valve core (GW6V) typically lasts for at least 6 months, often as long as a year
- dual valve technology for added protection against odours
- unique mechanism equalises pressure above and below valves to ensure faster drainage
- no special tools required
- simple to fit
